DOMENICI PUBLIC SCHEDULE FOR JUNE 13-16

WASHINGTON -- This is a review of events scheduled for U.S. Senator Pete Domenici for the week of June 13-16. Call the Domenici press office for confirmation.

This week, Domenici resume a light schedule in his Washington office, as he continues to recover from neck surgery. The lawmaker said that he and Senator Jeff Bingaman expect to offer Cerro Grande Fire compensation legislation this week, and he hopes to have the package through Congress by the July recess as part of the FY 2001 Military Construction Appropriations Bill.

On Tuesday, both the Senate Transportation Appropriations Subcommittee and the full Appropriations Committee will consider the FY 2001 Transportation Appropriations Bill. Domenici, a member of the funding panel, will attend the full committee markup at 2:15 p.m.

Also this week, the full U.S. Senate is expected to complete action on the FY 2001 Defense Appropriations Bill, clearing the spending bill for conference committee consideration. The Senate could then turn to consideration of the FY 2001 Defense Authorization Bill.
